

MEMORANDUM

TO: Title I Program Administrators

FROM: Cindy Hurst, Title I Coordinator
Early Learning and Intervention

DATE: April 24, 2015

SUBJECT: Schoolwide Reminder and Technical Assistance

The Indiana Department of Education (IDOE) has implemented a process for Title I schools transitioning from their current Targeted Assistance (TAS) model to a schoolwide program for the 2015-2016 school year. Schools must submit an electronic Assurance of Schoolwide Plan (click [here](#) to access) that indicates the school met all criteria during the time the plan was developed and that the plan includes all required schoolwide plan components. Schools must complete the assurance prior to submission of the 2015-2016 Title I Application. Approval will not be given individually to schools. IDOE will post a list of approved schools every Friday beginning May 1, 2015 and ending on Friday, June 12, 2015 on the Title I webpage, at <http://www.doe.in.gov/titlei>. The first approval list has been posted.

IDOE will offer opportunities for schools and districts to ask questions and receive guidance on the schoolwide process. IDOE will hold open calls for 30 minutes on:
